1963

GRANNAWAYNE

GRANTHAM HIGH SCHOOL
GOLDSBORO, NORTH CAROLINA

FOREWORD

As our days at Grantham draw to a close, and we realize that we must leave the old and familiar paths for the challenges of the new and unknown, we pause to reflect on the cherished memories of the past years. It is only now, as we approach graduation, that we begin to fully realize how much our parents, teachers, and classmates have influenced our lives. We begin to realize how much our school years have meant to us and how swiftly they have passed. These were the years in which we lived and learned and worked and played; the years that were filled with our joys and sorrows, victories and defeats, good days and bad days; and the years that shaped our lives.

In the 1963 GRANNAWAYNE, we have tried to capture some of the events that will soon be only memories. May these pages be a link with the warm friendships and fellowships that we have shared here after our school days have become a part of the distant past.

SECOND YEAR TYPING CLASS

To Mrs. Pulley and the second year typing class, we, the annual staff, wish to express our gratitude and appreciation for a job well done. Without your diligent

and willing help, the GRANNAWAYNE could not have been completed.

TO MR. JOHN L. TART . . .

. . . WE DEDICATE THE 1963 GRANNAWAYNE.

For the understanding he has shown in helping us with our problems, and the encouragement and guidance he has given us as we endeavored to make the right decisions. . .

For his willingness to make it possible for us to have more wholesome recreation and pleasure by sacrificing his time, outside the line of duty, to chaperone us on occasions that we shall long remember. . .

For his leadership in F.F.A. and in community improvement.

For being himself. . .

We, the class of '63, wish to express our gratitude to one who we feel is our personal and very loyal friend.

JOHN L. TART

"Has the bell rung? I didn't hear it!"

"Be careful! Don't be hosing around!"

BREAK—Some of the boys took time out for smoking and talking. Ice cream was a favorite refreshment and the machine was crowded during all kinds of weather. Then when the bell

"Anybody for a weed?"

SHOP—We learned many useful skills in farm management which will help us run our farms efficiently. Safety was stressed in our work in the shop.

rang, we hurried back to classes after having enjoyed ice cream, a very short game of football, walking in the fresh air, or just talking.

"Only twelve cents"

"Why?" "Because..."

PHYSICS gave us a new knowledge of math and a better understanding of the laws and forces of nature. We learned formulas for many difficult problems.

LUNCH—to which we all looked forward for a break from classes, relaxation, and fellowship.

"It's about time!"

"Do your debits and credits equal?"

THE COMMERCIAL DEPARTMENT—in which those of us who planned careers in business learned office management, typing, bookkeeping, and shorthand.

STUDY HALL—We studied, read, and did reference work. Our new Library Club helped our library run more smoothly and efficiently.

"Let's be quieter please!"

"Let's keep working, girls."

HOME ECONOMICS CLASSES—
in which we learned the skills of sewing, cooking, home management, and many other things which will be useful to us in other phases of our lives.

CLASS PROPHECY

Having reached our destination, the moon, we discovered how really lonesome life can be. We radioed back to Grantham to see how everyone was spending his time. This is what we found:

BRENDA BEST is now teaching French at Grantham.

Being a popular Nursery Rhyme singer, BONNIE BLACKMAN'S newest record, "Rocking the Cradle," has been released.

LINDA BRITT has a happy life now that she is living in Samora.

JUDY COTTON has just returned from making her latest movie Judy Goes African.

SYLVIA BRITT has just been elected "Mother of the Year."

DAVID DENNING has taken over the position of Principal of Grantham.

ANNA DUNBAR is very content with her own basketball team "The Globe Trotters."

DIXIE FLOWERS, living in New York, is secretary to Nelson Rockefeller, Jr.

You guessed it! HAMPTON GIDDENS is running against some unknown party for State Senate.

HAROLD GRADY is head of the world's largest fashion show located in Paris.

LINDA ELLEN GRADY'S wish came true; she is part owner of the famous College Drive-In.

DOROTHY GRANTHAM has recently been elected Dean at Mount Olive College.

BILLY HALL has recently won the "Southern 500" at Darlington.

BILLY HARRELL is now coaching ball at N. C. State.

DENNIS HARTLEY, a well-known lawyer, has just won a case over Perry Mason. Of course, we always knew he could!

BILLY JACKSON has just been elected mayor of Newton Grove.

We have just learned that KENNETH JERNIGAN has been elected "Player of the Year" for the "Clay Hole Boys."

LINDA JERNIGAN is really having a time helping her smallest of six boys with his homework.

Feeling very proud of himself, STEVE JONES now owns the largest service station in Wilmington.

MARGARET JOYNER worked a while at Vinson's but has found a happier life since she settled down with a family of her own.

After taking flying lessons from her husband, BRENDA KEEN can actually fly a B-52.

Just returning from a Safari in Africa, J. L. KEEN shows his proud possession, "A baby hippo."

MARY ALICE KEEN and ALICE FAYE SMITH are living happily in Bermuda with their Air Force husbands.

BOBBY RAYNOR has just completed his new novel, No Girls Allowed.

CARL SETTLEMAYER has invented a car that will fly as well as glide down the road. We always knew he was going places with the training he received at Grantham.

CAROL STRICKLAND is rapidly increasing the population of Newton Grove.

HENDERSON SURLS has just joined the Wayne County Fair as a "Hell Driver."

Weil's has become even more prosperous since ELLEN SUTTON has become a saleslady there.

Living happily in Greensboro, JOANNE TAYLOR, has settled down to her new secretarial job.

LENA THOMPSON has taken over Mrs. Rose's position in the lunch room.

MARY ELLEN THORNTON AND VIOLET THORNTON have just opened the Thornton Taxi Company right in Grantham.

SHELTON THORNTON has a very prosperous farm near Mount Olive.

CARL WARRICK now owns his own horse ranch, the largest in North Carolina.

LINWOOD WILLIAMS has been seen driving Bobby Darin's \$150,000,000 car around Center. We wonder what's up?

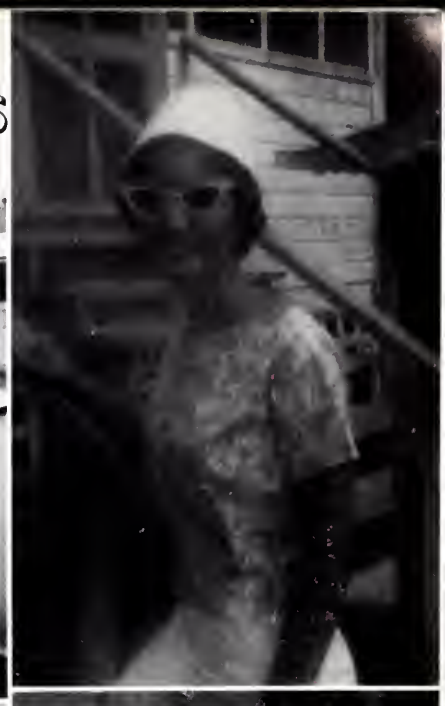

Since we have heard from all our classmates on earth, we can now be happy moon inhabitants.

Jimmy,

It ~~has~~ ^{has} been lots of fun being in study hall, English, "algebra" and having home room period with you. I guess it has been so much fun because you are "so crazy" and I am "so intelligent." Ha! Ha! But stay as you ^{are} always and you may become a "millionaire hobo."

You are a very sweet and nice boy and I know that you will stay that way. Best wishes and good luck now and in the future.

A friend always,

in school for the past 10 years. We
have had some real good times together

Even though you act like you don't
like school, you'll probably graduate
being about the smartest one in class.
Best of luck to a good friend.

Jimmy,

It has been a pleasure knowing you these past years. We have had lots of fun together this past year especially. Remembered when we went bowling and you rolled the ball into that bar and we thought we had torn it up? May you have the best of luck in a happy and prosperous future.

Jimmy,

I have enjoyed being in high school with you these past two years. I've also enjoyed knowing you away from school. I'll never forget that first time I went bowling with you and your Mother and Daddy. (I haven't improved much since then) I remember all those Sunday evenings we went to Newton Grove and looked at all those cows (even dead ones). I wish you the best life has to offer. I'm sure with your "brains", and personality you'll go far. I hope I'll still see you after I graduate, anyway, I'm sure I will. If you don't come to see me I'll kill you. Best of luck.
